## **Disclaimer and Confidentiality**

This RFP Document has been prepared by **Executive Officer, Jajpur Municipality, Jajpur District, Odisha** solely for the purpose of providing information to potential bidders. It is provided on a confidential basis and is not to be distributed or reproduced in whole or in part without the prior written consent of the Client.

The information contained in this RFP document (the “**RFP**”) or subsequently provided to Bidder(s)/Bidder(s), whether verbally or in documentary or any other form by or on behalf of Client or any of their employees or advisors, is provided to Bidder(s) on the terms and conditions set out in this RFP and such other terms and conditions subject to which such information is provided.

This RFP is not an agreement and is neither an offer nor invitation by “**CLIENT**” to prospective Bidder/s. The purpose of this RFP is to provide interested bidders with information that may be useful to them in preparing their proposal i.e. Eligibility/Technical Proposal, Documents and Financial Proposal (the "Bid") pursuant to this RFP. This RFP includes statements, which reflect various assumptions and assessments arrived at by “**CLIENT**” or their advisors in relation to the Project. Such assumptions, assessments and statements do not purport to contain all the information that each Bidder may require. It is intended to be used as a guide only and does not constitute advice, including without limitation, investment or any other type of advice. This RFP may not be appropriate for all persons, and it is not possible for “**CLIENT**”, its employees or advisors to consider the investment objectives, financial situation and particular needs of each party who reads or uses this RFP. The assumptions, assessments, statements and information contained in this RFP may not be complete, accurate, adequate or correct. Each Bidder should, therefore, conduct its own investigations and analysis and should check the accuracy, adequacy, correctness, reliability and completeness of the assumptions, assessments, statements and information contained in this RFP including annexures/attachments/ amendments and obtain independent advice from appropriate sources. “**CLIENT**” and its advisors assume that any person who reads or uses this document is capable of evaluating the merits and risks of any investment or other decision with respect to a financial/property transaction, operation, its suitability and its financial, taxation, accounting and legal implications without any reliance on this document.

Information provided in this RFP to the Bidder/s is on a wide range of matters, some of which depend upon interpretation. The information given is not an exhaustive account of statutory requirements and should not be regarded as a complete or authoritative statement of law.

This document may contain information prepared by third parties. Figures, calculations and other information contained in this document that has been provided to “**CLIENT**” by third parties have not been independently verified by “**CLIENT**”. Any projections or analyses represent best estimates only and may be based on assumptions, which, while reasonable, may not be correct. Past performance of any property or market information, if any, described in this document is not a reliable indication of future performance of such property. Bidders should not rely on any information contained in this document as a statement or representation of fact and must make their own enquiries to verify and satisfy themselves of all aspects of such information, including without limitation, any income, fee/rentals, dimensions, areas, zoning and permits. While the information in this document has been prepared in good faith and with due care, no representations or warranties are made (express or implied) as to the accuracy, currency, completeness, suitability or otherwise of such information. “**CLIENT**”, its advisors, officers, employees, subcontractors and agents shall not be liable (except to the extent that liability under

statute or by operation of law cannot be excluded) to any person for any loss, liability, damage or expense arising directly or indirectly from or connected in any way with any use of or reliance on such information.

“**CLIENT**” accepts no responsibility for the accuracy or otherwise for any interpretation or opinion on law expressed herein. “**CLIENT**”, its employees and advisors make no representation or warranty and shall have no liability to any person, including any Bidder or Bidder under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this RFP or otherwise, including the accuracy, adequacy, correctness, completeness or reliability of the RFP and any assessment, assumption, statement or information contained therein or deemed to form part of this RFP or arising in any way during the Bidding Process.

“**CLIENT**” also accepts no liability of any nature whether resulting from negligence or otherwise, howsoever caused arising from reliance of any Bidder upon the statements contained in this RFP.

“**CLIENT**” may in its absolute discretion at any time, but without being under any obligation to do so, update, amend or supplement the information, assessment or assumptions contained in this RFP. “**CLIENT**” may also withdraw or cancel the RFP at any time without assigning any reasons thereof.

“**CLIENT**” reserves the right, without any obligation or liability, to accept or reject any or all applications, at any stage of the selection process, to cancel or modify the process or any part thereof, or to vary any or all the terms and conditions at any time, without assigning any reason whatsoever.

The issue of this RFP does not imply that “**CLIENT**” is bound to select service provider or to appoint the successful service provider, as the case may be. “**CLIENT**” reserves the right to reject all or any of the Bidder/s or Bids without assigning any reason whatsoever. The Bidder shall bear all its costs associated with or relating to the preparation and submission of its Bid including but not limited to preparation, copying, postage, delivery fees, expenses associated with any demonstrations or presentations which may be required by “**CLIENT**” or any other costs incurred in connection with or relating to its Bid. All such costs and expenses will remain with the Bidder and “**CLIENT**” shall not be liable in any manner whatsoever for the same or for any other costs or other expenses incurred by a Bidder in preparation or submission of the Bid, regardless of the conduct or outcome of the Bidding Process.

7. **Preparation & Submission of Proposal:**

7.1 **PREPARATION OF PROPOSAL**

You are requested to submit your proposal **through speed post/Registered post (India post) as per the information provided in the datasheet** in Two Parts strictly using the formats enclosed herewith **(refer Section: 2, 3, 4, 6 & 7 for Part-1 and refer Section:5 for Part-2)** in 2 separate covers. The two parts shall be:

**Part 1: Fee/ Pre-Qualification/ Technical Proposal and  
Part 2: Financial Proposal.**

Bidder must submit **Hard Copy** of the Technical Proposals by **Registered Post / Speed Post** only to the specified address before stipulated date of opening the Technical Bid as mentioned in Bidder Data Sheet. The Client will not be responsible for postal delay / any consequence in receiving of the proposal.

7.2 **The procedure for submission of the proposal is described below:**

- i) **Technical Proposal:**  
The envelope containing Hard Copy of Technical Proposal (**Section: 2, 3, 4, 6 &7**) which is uploaded in electronic form in the web portal along with proof of Remittance of Bid Processing Fee and EMD shall be sealed and superscripted as “**Technical Proposal - <Proposed Project Name>**” and to be furnished inside one envelope. The duly filled-in technical proposal submission forms, along with all the supportive documents and information have to be furnished as part of technical proposal. The Technical Bid shall not include any financial information related to the Price Bid. **Technical Bid containing financial information related to the Price Bid shall be declared non-responsive.**
- ii) **Financial Proposal:**
- The Consultant shall quote his rates on prescribed form of the Bill of Quantities (BoQ) already provided in the RFP. Further the consultant shall have to submit the filled in formats attached in **Section 5** in PDF format in second packet of **Cover-2**.
  - The rate offered to remain fixed for the whole contract period or for the extended agreed period.
  - The financial proposal shall be inclusive all costs, direct or indirect, for successful delivery of the services defined in the ToR but exclusive of GST.
  - Consultants shall express the price of their services in the Local currency (Indian Rupees).
- iii) The completed proposal must be submitted on or before the time and date stated in the Data Sheet.

*Any deviation from the prescribed procedures / information / formats / conditions shall result in out-right rejection of the proposal. All the pages of the proposal have to be sealed and signed by the authorized representative of the bidder. Bids with any conditional offer shall be out rightly rejected. All pages of the proposal must have to be sealed and signed by the authorized representative of the bidder. Any conditional bids will be rejected.*

## **8. Opening of the Proposal :**

- (i) Opening of Proposals will be done as per the schedule date and time.
- (ii) The **TECHNICAL PROPOSAL** received as mentioned in point nos.7.2(i) on **02.11.2021 at 15.00 hrs. Indian Standard Time** will be opened in the initial stage by the Client in presence of the bidder’s authorized representatives at the location, date and time specified in the Data Sheet.
- (iii) The Client will constitute a Tender Evaluation Committee (CEC) to evaluate the proposals submitted by bidders. Only one representative with proper authorization letter from the participating bidder will be allowed to witness the bid opening.
- (iv) For participating in the tender, the authorized signatory holding Power of Attorney shall be the Digital Signatory. In case the authorized signatory holding Power of Attorney and Digital Signatory are not the same, the bid shall be considered non-responsive.
- (v) The **FINANCIAL PROPOSAL 7.2. (ii)** only of the **technically qualified bidders** will be opened on **12.11.2021 at 15.00** hrs after completion of technical evaluation stage.

## **9. Evaluation of Proposal:**

A Two stage evaluation process will be conducted as explained below for evaluation of the proposals:

- **TECHNICAL EVALUATION (Part-I) :** Technical proposal will be opened and evaluation of the proposals will be done to determine whether the proposal comply to the prescribed eligibility condition and the requisite documents / information have been properly furnished by the bidder or not. <b>D</b>	<b>Social Science Expert</b>			<b>5</b>
	Qualification: BA / MA in Social Science or similar (Graduate Degree –2 Mark)/ Masters with Specialization (2 Mark)	2 mark for meeting criteria	2	
	Minimum Experience: Experience of at least 10 years in working as a community development specialist or in similar position in social sector with planning skills and adequate training skills for Govt. projects	3 marks for meeting criteria	3	

*For further details, please refer to Chapter 6, Para 6.7 – Evaluation of the Quality-Technical Proposal.*

*Bidders who secure above 60% marks from the total (100 marks) in the technical proposal will be called for financial evaluation.*

**FINANCIAL EVALUATION:** The financial proposals of the bidders qualifying the Technical Evaluation (Part-I & II) only shall be opened at this stage in the presence of the bidder's representative who wishes to attend the meeting with proper authorization letter. The name of the bidder along with the quoted financial price will be announced during the meeting.

#### 10. **Evaluation Process :**

Only fixed price financial bids indicating total price for all the deliverables and services specified in this RFP document will be considered. In case of a tie with respect to the bid price for **L1**, the bidder having higher technical score will be considered the preferred bidder.

**In Quality and Cost Based Selection method**, minimum qualifying marks (normally 70 out of maximum 100 marks) as a benchmark for quality of the technical proposal will be prescribed and indicated in the RFP along with a scheme for allotting marks for various technical criteria/attributes. During evaluation quality score is assigned out of the maximum 100 marks to each of the responsive bids as per the scheme laid out in the RFP. Financial proposals are then opened for only eligible and responsive offers and are also given a cost-score based on relative ranking of prices, with 100 for the lowest and pro-

rated lower marks for higher priced offers. The total score shall be obtained by weighting the quality and cost scores and adding them. This method of selection shall be used for highly technically complex and critical assignments where it is justifiable to pay appropriately higher price for higher quality of proposal.

The bid price will include all taxes as applicable and shall be in Indian Rupees. Prices quoted in the bid must be firm and final, and shall not be subject to any modifications on any account whatsoever. The Tender Evaluation Committee will correct any computational errors. When correcting computational errors, in case of discrepancy between partial amount and the total amount, or between word and figures the former will prevail. All required items must be priced accordingly in the financial bid.

For the purpose of evaluation, the total evaluated cost shall be inclusive of all taxes & duties for which the Client will make payment to the consultant including overhead expenses, such as travel, accommodation, logistics, training/ workshop, preparation of reports / formats, printing & other secretarial expenses etc.

**11. Performance Bank Guarantee: (PBG)**

Within 7 days of notifying the acceptance of a proposal for award of contract, the qualified bidder shall have to furnish a Performance Bank Guarantee amounting to **10% of the Contract Value** from a scheduled commercial bank situated in Jajpur Town in favour of **“Executive Officer, Jajpur Municipality, Jajpur”**, as per the format at **Annexure-II**, for a period of three months beyond the entire contract period (i.e. PBG must be valid from the date of effectiveness of the contract to a **period of 24 (Twenty Four months)** as its commitment to perform services under the contract. Failure to comply with the requirements shall constitute sufficient grounds for the forfeiture of the PBG. The PBG shall be released immediately after three months of expiry of contract provided there is no breach of contract on the part of the qualified bidder. No interest shall be paid on the PBG.

**12. Contract Negotiation:**

Contract negotiation, if required will be held at a date, time and address as intimated to the selected bidder/s. The bidder will, as a pre-requisite for attendance at the negotiations, confirm availability of all the proposed staff for the assignment. Representative conducting negotiations on behalf of the bidder must have written authority to negotiate and conclude a contract. Negotiation will be performed covering technical and financial aspects, if any and availability of proposed professionals etc.

**13. Award of Contract:**

After completion of the contract negotiation stage, the Client will notify the successful bidder in writing by issuing an offer letter for signing the contract and promptly notifying all other bidders about the result of the selection process. The successful bidders will be asked to sign the contract after fulfilling all formalities within 15 days of issuance of the offer letter. After signing of the contract, no variation or modification of the terms of the contract shall be made except by written amendment signed by both the parties. The contract will be valid for **24 (Twenty Four) Months** from the date of effectiveness of the contract and will be extended on mutual consent.

**14. Conflict of Interest :**

Conflict of interest exists in the event of:

- (i) Conflicting assignments, typically monitoring and evaluation/environmental assessment of the same project by the eligible bidder;

- (ii) Consultants, agencies or institutions (individuals or organizations) who have a business or family relation with the Client directly or indirectly; and
- (iii) Practices prohibited under the anti-corruption policy of the Government of India and Government of Odisha. The bidders are to be careful so as not to give rise to a situation where there will be any conflict of interest with the Client as this would amount to their disqualification and breach of contract.

**15. Disclosure :**

- a. Bidders have an obligation to disclose any actual or potential conflict of interest. Failure to do so may lead to disqualification of the bidder or termination of its contract.
  - Bidders must disclose if they are or have been the subject of any proceedings (such as blacklisting) or other arrangements relating to bankruptcy, insolvency or the financial standing of the Bidder, including but not limited to appointment of any officer such as a receiver in relation to the Bidder's personal or business matters or an arrangement with creditors, or of any other similar proceedings.
- b. Bidders must disclose if they have been convicted of, or are the subject of any proceedings relating to:
  - a criminal offence or other serious offence punishable under the law of the land, or where they have been found by any regulator or professional body to have committed professional misconduct;
  - corruption including the offer or receipt of an inducement of any kind in relation to obtaining any contract;
  - Failure to fulfill any obligations in any jurisdiction relating to the payment of taxes or social security contributions.

**16. Anti-corruption Measure :**

- a. Any effort by Bidder(s) to influence the Client in the evaluation and ranking of financial proposals, and recommendation for award of contract, will result in the rejection of the proposal.
- b. A recommendation for award of Contract shall be rejected if it is determined that the recommended bidder has directly, or through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the contract in question. In such cases, the Client shall blacklist the bidder either indefinitely or for a stated period of time, disqualifying it from participating in any related bidding process for the said period.

**17. Language of Proposals :**

The proposal and all related correspondence exchanged between the bidder and the Client shall be written in the **English** language. Supporting documents and printed literature that are part of the proposal may be in another language provided they are accompanied by an accurate translation of the relevant passages in English with self-certification for accuracy, in which case, for the purposes of interpretation of the Proposal, the translated version shall govern.

**18. Cost of bidding :**

The Bidder shall bear all costs associated with the preparation and submission of its proposal. The Client shall not be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process. Bidder/s is/are not allowed to submit more than one proposal under the selection process. Alternate bids are also not allowed.

**19. Legal Jurisdiction:**

All legal disputes are subject to the jurisdiction of civil court of **Jajpur Odisha**.

**20. Governing Law and Penalty Clause:**

The schedule given for delivery is to be strictly adhered to in view of the strict time schedule. Any unjustified and unacceptable delay in delivery shall render the bidder liable for liquidated damages and thereafter the Client holds the option for cancellation of the contract for pending activities and completes the same from any other agency. The Client may deduct such sum from any money from their hands due or become due to bidder. The payment or deduction of such sums shall not relieve the bidder from his obligations and liabilities under the contract. The rights and obligations of the Client and the bidder under this contract will be governed by the prevailing laws of Government of India / Government of Odisha. Failure on bidder's part to furnish the deliverables as per the agreed time line will enforce a penalty @ **1% per week subject to maximum of 10% of the total contract value**. The amount will be deducted from the subsequent payment. In addition, the PBG amount shall also be forfeited. The decision of the authority placing the contract, whether the delay in development has taken place on account of reasons attributed to the bidder shall be final.

**21. Confidentiality:**

Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the bidders who submitted the proposals or to other persons not officially concerned with the process, until the publication of the award of contract. The undue use by any Consultant of confidential information related to the process may result in rejection of its proposal and may be subject to the provisions of the Client's antifraud and corruption policy. During the execution of the assignment except with prior written consent of the Client, the consultant or its personnel shall not at any time communicate to any person or entity any confidential information acquired in the course of the contract.

**22. Amendment of the RFP Document:**

At any time before submission of proposals, the Client may amend the RFP by issuing an addendum through **website <https://jajpur.nic.in>**. Any such addendum will be binding on all the bidders. To give bidders reasonable time in which to take an addendum into account in preparing their proposals, the Client may, at its discretion, extend the deadline for the submission of the proposals.

**23. Client's right to accept any proposal, and to reject any or all proposal/s:**

The Client reserves the right to accept or reject any proposal, and to annul or amend the bidding / selection / evaluation process and reject all proposals at any time prior to award of contract award, without assigning any reason there of and thereby incurring any liability to the bidders.

**24. Copyright, Patents and Other Proprietary Rights:**

**Executive Officer, Jajpur Municipality, Jajpur – 755001, Odisha** shall be entitled to all intellectual property and other proprietary rights including but not limited to patents, copyrights and trademarks, with regard to documents and other materials which bear a direct relation to or are prepared or collected in consequence or in the course of the execution of this contract. At the Client's request, the Consultant shall take all necessary steps to submit them to the Client in compliance with the requirements of the contract.

**25. Replacement of Key Personnel:**

The key professionals to be deployed under this contract must be dedicated in nature. However, the Client reserves the right to request the Consultant to replace the assigned

personnel if they are not performing to a level of satisfaction. The Consultant must replace the personnel within seven (7) working days from the date of approval of replacement. If one or more key personnel become unavailable / leave the project for any reason midway under the contract, the Consultant must notify the Client at least fourteen (14) days in advance and obtain the approval prior to making any substitution. In notifying the Client, the Consultant shall provide an explanation of circumstances necessitating the proposed replacement and submit justification and qualification of replacement personnel in sufficient detail to permit evaluation of the impact on the engagement. Acceptance of a replacement person by the Client shall not relieve the consultant from responsibility for failure to meet the requirements of the contract. Change in key professionals beyond the allowable limit of the contract leads to **implication of liquidated damage of 10% of the contract value.**

**26. Force Majeure :**

For purpose of this clause, “Force Majeure” means an event beyond the control of the agency and not involving the agency’s fault or negligence and not foreseeable. Such events may include, but are not restricted, wars or revolutions, fires, floods, riots, civil commotion, earthquake, epidemics or other natural disasters and restriction imposed by the Government or other bodies, which are beyond the control of the agency, which prevents or delays the execution of the order by the agency. If a force Majeure situation arises, the agency shall promptly notify Client in writing of such condition, the cause thereof and the change that is necessitated due to the condition. Until and unless otherwise directed by the Client in writing, the Agency shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event. The agency shall advise Client in writing, the beginning and the end of the above causes of delay, within seven days of the occurrence and cessation of the Force Majeure condition. In the event of a delay lasting for more than one month, if arising out of causes of Force Majeure, Client reserve the right to cancel the contract without any obligation to compensate the agency in any manner for what so ever reason.

**27. Settlement of Dispute:**

The Client and the agency shall make every effort to resolve amicably, by direct negotiation, any disagreement or dispute arising between them under or arising from or in connection with the contract. Disputes not so resolved amicably within 30 days of receipt of notice of such as a dispute shall be resolved by a sole arbitrator nominated by the **Executive Officer, Jajpur Municipality, Jajpur – 755001 ,Odisha**. The arbitration proceeding shall be held in **Jajpur, Odisha**.

**28. Disqualification of Proposal:**

The proposal is liable to be disqualified in the following cases as listed below:

- Proposal submitted without Bid Processing Fee & EMD as applicable
- Proposal not submitted in accordance with the procedure and formats as prescribed in the RFP
- During validity of the proposal, or its extended period, if any, the bidder increases his quoted prices
- Proposal is received in incomplete form
- Proposal is received after due date and time for submission of bid
- Proposal is not accompanied by all the requisite documents / information
- A commercial bid submitted with assumptions or conditions

- Bids with any conditional technical and financial offer
- If the bidder provides any assumptions in the financial proposal or qualifies the commercial proposal with its own conditions, such proposals will be rejected even if the commercial value of such proposals is the lowest / best value
- Proposal is not properly sealed or signed
- Proposal is not conforming to the requirement of the scope of the work of the assignment.
- Bidder tries to influence the proposal evaluation process by unlawful/corrupt/fraudulent means at any point of time during the bid process
- If, any of the bid documents (including but not limited to the hard and soft/electronic copies of the same, presentations during evaluation, clarifications provided by the bidder), excluding the commercial bid, submitted by the bidder is found to contain any information on price, pricing policy, pricing mechanism or any information indicative of the commercial aspects of the bid;
- Bidders or any person acting on its behalf indulges in corrupt and fraudulent practices
- Any other condition / situation which holds the paramount interest of the Client during the overall section process.

**SECTION: 3**

**TERMS OF REFERENCE (ToR)**

## **Introduction (Background)**

### **1. Purpose / Objectives of the Assignment**

#### **GENERAL**

The detailed description of the scope of services, deliverables and other requirements relating to this Consultancy are specified in this RFP. In case the Bidder firm possesses the requisite experience and capabilities required for undertaking the Consultancy, it may participate in the Selection Process as an individual (the “Sole Firm”). **No Joint Venture, Consortium of firms and Sub-Consultancy is allowed in response to this invitation.** The term Bidder (the “Applicant”) means the Sole Firm. The manner in which the Proposal is required to be submitted, evaluated and accepted is explained in this RFP. Bidders are advised that the selection of Consultancy firm shall be on the basis of an evaluation by PHEO through the Selection Process specified in this RFP.

#### **BACKGROUND**

##### **DISTRICT COLLECTORATE**

Jajpur is located at 20.85°N 86.33°E and has an average elevation of 8 metres (26 ft). The climate of Jajpur District is normal as per Indian standards. All the seasons arrive in the District at their usual time. The District's average height from the sea level is 331 m and its average rain fall is 1014.5 mm. The average maximum and minimum temperatures are 40 degree C and 10 degree C respectively. Overall, the climate of the District is neither hotter nor cooler. The summer season is from March to June when the climate is hot and humid. Thunderstorms are common at the height of the summer. The monsoon months are from July to October when the town receives most of its rainfall from the South West Monsoon. The annual rainfall is around 1014.5 mm. The winter season from November to February is characterized by mild temperatures and occasional showers.

##### **JAJPUR TOWN**

Jajpur town is situated at a distance of 120 Kms away from state capital. The National Highway No.5 is connected from Panikoili at a distance of 20 Km. The town is located at 860 – 20’ East and 200 -15’ North. Jajpur town is the district head quarter of Jajpur district. A perennial river Baitarani is flowing in the Eastern side of Jajpur Municipality.

##### **JAJPUR TOWN**

Jajpur is a town and a municipality in Jajpur district in the state of Odisha, India. Colloquially it is also called Jajpur town. It is home to an industrial belt and hosts several steel companies including Neelachal Ispat Nigam Limited, MESCO, Tata Steel, Jindal Steel etc. According to district officials there are around 14 major companies and several small companies in the vicinity.

Considering the development scenario and urbanization coupled with population growth, the existing storm water drainage system in both the cities namely Jajpur Town are utterly inadequate due to the following shortcomings.

- Many of the existing surface drains are inadequate in size thus require renovation.
- Many areas are not provided with drainage system.
- Absence of efficient solid waste management system is contributing to blockage of open surface drains leading to overflows during heavy showers. Stagnation of water as a result of siltation / blockage is creating health related problems due to mosquito breeding, fly nuisance etc.

- The Municipal bodies are facing lot of hardship in day – to – day for periodic maintenance of the existing drains.
- Flow of sewage / septic tank effluent in some open drains also creates health risk to the citizen. A separate sewerage system presently under execution is expected to eliminate this problem. Its effect has to be studied simultaneously.
- Due to rapid urbanization and unprecedented pace of growth in the last two decades, the physical status of most of the natural storm water channels are :
  - Encroachment by the public, thereby narrowing the original stream Section.
  - Slum dwellers' / people of weaker sections occupy and reside on the bank of the drains causing obstruction to the free flow of streams & narrowing the flow path.
  - Due to lack of proper demarcation and fencing of storm water drains, debris & wastages are thrown into the channels causing obstruction to free flow of rain water finally leading to overflowing on the roads.
  - The low lands on the eastern side which otherwise acted as storm water holding basins & provided natural pathway for discharge to the rivers are gradually converted into homestead lands thereby causing flooding in uplands during heavy shower. These low lands while acting as temporary storm water holding banks also help groundwater recharge.
  - Increase in-built up areas & absence of integrated urban watershed management have led to reduction in infiltration capacity & thereby ground recharging problems.

The above shortcomings are causing frequent flooding of the city thereby affecting the normal life especially during monsoon periods.

## **OBJECTIVE**

The objective of the programme is to promote planned integrated development of the Municipal town to help creating durable public access and to improve quality oriented services in the town.

The broad objective of this proposed Project is to:

- i) prevent flooding of the City thereby minimize occurrence of damages to public/ private properties and public life.
- ii) Avoid disruption of public life especially during the periods of cyclonic storms and high intensity rainfall.
- iii) Creating scope for ground water recharges.
- iv) Creating water bodies for the purpose of recreation activities & also for damping the temperature during Summer.
- v) Beautification of the Cities by minimizing Solid Waste and Liquid Waste Disposal in to the drains and water bodies.

As a part of the strategy, it is proposed to adopt an integrated approach to urban watershed management with creation / renovation of following infrastructure facilities to achieve the above goals.

- i. Design of the existing surface drainage facility including renovation of the same as per requirement.
- ii. Design and execute drainage system for all uncovered areas of CMC including fringe areas with integration to the existing system as per requirement.
- iii. Renovation of the existing natural storm water channels suiting to following scope.
- iv. Construction of storm water drains and / or retaining walls on both sides wherever needed duly demarcating the boundaries on either side.

- v. Construction of Check dams/Drops wherever necessary to reduce the velocity in stages to ensure steady flow, to help in ground water recharge and to use as water bodies / lakes for recreational spots.
- vi. Construction of cross culverts/Bridges wherever necessary.
- vii. Chain link fences to minimize dumping of garbage and litter.
- viii. De-silting / de-weeding to ensure full flow of water.
- ix. Construction of control structures wherever necessary.
- x. Preparation of micro level storm water drainage network for street, branch & main drains in uncovered areas & integrating the same with existing system as well as to the major storm water channels.
- xi. Conducting detailed survey of the existing storm water Channels to assess their physical status, carrying capacity & adequacy to meet design discharge requirements.
- xii. Identification of location along the routes of the major storm water channels for creation of water bodies / lakes for recharging to the ground water as well as to use for recreational purpose.
- xiii. Preparation of storm water drainage map for Jajpur Municipality & zonal maps showing existing major and primary, tertiary storm water drains & their disposal system.
- xiv. Based on the hydrologic study design of the entire drainage system including out-fall structures shall be carried out for safe discharge of design flood to the rivers.
- xv. Structural design of the entire drainage system with outfall structures shall be carried out.
- xvi. The DPRs shall include the following
  - a. Detailed survey of the drains and their flood plain areas
  - b. Review of existing conditions
  - c. Deficiency analysis from hydraulic and structural point of view
  - d. Enlisting of obstructions, bottlenecks and encroachments
  - e. Rehabilitation plan
  - f. Socio-Environmental impact analysis
  - g. Estimation of flood discharge and hydraulic design
  - h. Preparation of Longitudinal Sections (LS) and Cross Sections (CS) of drains.
  - i. Soil Investigation
  - j. Structural design of drain cross-section depending on the availability of land.
  - k. Detailed estimates with rate analysis based on current SSR
  - l. Preparation of detailed drawings
  - m. Construction programme to complete the execution within 2 years.
  - n. Ground water recharging study & its effect.
  - o. Preparation of land schedule with ROR, village map etc. for acquisition of private, Govt. and forest lands to develop the network.
  - p. The DPR should be prepared as per the guidelines & norms stipulated by the Govt. of Odisha and the Govt. of India.

As such it is decided to appoint a Consultant who would prepare detailed project report for comprehensive storm water drainage systems of the Municipal towns of Jajpur followed by construction and rehabilitation of Drainage System in both the towns.

In support of the Invitation for the RFP (Proposal), the **Executive Officer, Jajpur Municipality, Jajpur – 755001** issues this Bidding Document for the work “Providing Consultancy Services for preparation of DPR including Topographical Survey, Design and Engineering including technical validation for Improvement of Drainage System of Jajpur Municipality in the District of Jajpur, Odisha

## 2. SCOPE OF WORK

The detailed set of activities to be carried out by the proposed unit will include.

The Main Objective of the project is to study the Topography, Hydrology of the site and surrounding areas, Design and prepare the Surface runoff Water Drainage as per the Central Public Health & Environmental Engineering Organization (CPHEEO) – Manual for Storm Water Management 2019/ Central Ground Water Board (CGWB) guidelines / River centric Urban development planning guide of MoHUA.

### **Objectives of Planning & Investigation**

- Identification and marking of probable drainage zones, direction of gradients and selection of disposal points
- Preparation of topographical layout of collection and conveyance.
- Identification of locations for pumping stations
- Strategy for rainwater storage and its recharge to ground water
- Strategy for prevention of solid waste and C & D waste into storm water ways.
- Strategy for arresting pollutants with urban runoff from entering into water bodies
- Conserving the aesthetic, public safety and other social concerns of recreational open space and landscape to preserve the ecological nature of water ways;
- Identification of existing storm water drains / drainage corridors including age-old drainage conduits for rehabilitation.
- Non-structural measures should be studied, and components designed accordingly to provide relief during occurrence of disasters due to flooding.
- Strategy for sustainable operation & maintenance of storm water systems
- Holistic approach to local area planning including aspects of sustainability, consistency and responsive to community values.

### **Data Collection & Map Development**

- Physical Characteristics
- Rainfall Characteristics
- Waterway Characteristics
- Collection of topographical survey details / maps
- Topographical maps (1:1000) bringing out existing storm water drainage system, crossing of main watercourses e.g. rivers, irrigation channels and drains, tanks, ponds, roads, railway lines, built up areas, open fields and play grounds, flood prone areas etc.;
- Contour Maps / Catchment maps
- Alignment maps – Drains
- Storm water drains with longitudinal section and cross sections
- Water harvesting structures, Water detention tanks, pumping points, water usage points, parks, disposal point should also be shown on the map.

- Identification of Vulnerable silting / landslide points, Low lying points Coastal area problem, Hilly area features / vulnerable stretches

### **Other Components to studied – Diversion of Septic Flow and Treatment**

- Prevention of wastewater ingress into river,
- Define and meet targeted water quality criteria
- Up gradation of existing DPR in compliance with NRCD guidelines
- Ensure continual flow in river of acceptable water quality
- Prevention of entry of solid waste within river body
- Wastewater characterization studies including flow measurements required
- River water quality and ingress of untreated wastewater entering the river need to be mapped
- Identification of industrial effluent discharge
- Details of Non-point sources need to be included
- Land ownership and acquisition requirement assessment

### **Objectives of the studies and detailed Design**

**The scope in brief for the services required under this consultancy work is as under:**

Sr. No.	Description of Scope of work
1.	Study of existing Reports, carrying out of survey works, mapping of existing utilities, mapping of existing drains and major drains and drain outlets and to suggest proper alternative suitable / feasible proposal to mitigate flooding by diverting the runoff by construction of new drain network, pumping stations, holding ponds, miter gates.
2.	<p><b>Utilities mapping:</b> (By Combination of Ground Probing Radar (GPR) and Electromagnetic Location (EML))</p> <p>The detailed mapping of all kind of existing underground and above ground utilities (i.e. electric, power cables, gas lines, all kind of water mains, proposed Metro Rail, telecom cables, sewer lines, Storm water drains, water entrances etc.) will have to be done along the alignment.</p> <p>Mapping out of the surface soils/rock profile along the pipeline alignment and locating underground utilities and buried objects by geophysical testing such as the Combination of Ground Probing Radar (GPR) and Electromagnetic Location (EML).</p>
3.	<p><b>Leveling and plain table survey:</b></p> <p>The leveling survey with reference to the THD will have to be carried out, including plain table survey incorporating all above ground existing features (i.e., building, roads, footpath, Railway Property, etc.) along the alignment</p>
4.	Carrying out topographic survey and marking of plot boundary on total station survey, Geo Technical Survey, Site investigations, Submission of documents and

	their approval from concern authorities.
5.	Hydraulic calculations, Hydraulic Analysis (Contributing flow design, physical modeling and testing) including reports for Drain design, Pipe networks if any as per site condition, inlet port design, Pumping station, capacity of Pumping station.
6.	Submission and approval of design, detailed engineering and drawings as per tender specifications for civil works, Mechanical works, Electrical Works, Instrumentation and automation works for Pumping station work and construction of Storm Water Pumping Station.
7.	To review the implications of implemented works institutional arrangements, operators and maintenance strategies, human resource development.
8.	To review possibility of collection, recharge and reuse of Storm Water.
9.	Using previous data of Jajpur and Vyasnagar from IMD, Pune and as per CPHEEO manual (especially analysis of rainfall data using step-up method), available maps, topographic sheets and by reconnaissance, the catchments and sub-catchments areas for calculating storm water flows by sections shall be determined as may be necessary, and shall be shown a plan with Convenient scale.
10.	Flooding spots shall be clearly marked showing probable depth of water accumulation in case of more than 50 mm (2") intensity of rain fall for 3 hours duration of storm.
11.	Analysis of existing situation of S.W.Drains and to identify deficiencies and develop alternative strategies and options for expansion/ augmentation of the existing system to address system deficiencies
12.	To develop alternate strategies to address the S.W. Drainage System Deficiencies.
13.	Suggest measure to augment the discharging capacity to meet the hydraulic design rainfall intensity wherever possible and especially in flooding spots. Additional drains in each tributary system may be proposed.
14.	Suggest remedial measures for locate flooding spots with constraints of low levels and non-availability of hydraulic gradient. Consideration may be given for such areas to be brought to a suitable level by filling or resorting to pumping including provision of holding pond if necessary and feasible.
15.	Finalization of estimates and preparation of bid documents.
16.	Pre-bid meeting for clarification of queries raised by prospective bidders
17.	Evaluation of bids and recommendation to MCGM.
18.	Scope is upto issuance of work order, project management, carrying out daily progress, weekly, monthly progress monitoring to the contractor for construction of Storm Water Pumping Station and storm water drain as proposed.
19.	Based on the data collected during above mentioned survey the agency shall prepare and submit to Dept., a "Feasibility Study Report" on the proposed augmentation work by incorporating following: a) Plan showing all existing utilities including proposed alignment of proposal

	b) Plan showing the levels with reference to HFL and Storm / Cyclone condition along the proposed alignment c) To highlight the expected hurdles due to existing utilities and its location. d) Detailed design and working of proposed Storm Water Pumping Station.
20.	List of the required permissions / NOC of statutory authorities.
21.	Preparation of detailed Engineering drawings, good for construction drawings, carrying out the day today activities, daily progress, monthly progress, quality monitoring of works of contractors

### 3. Timelines, stages of deliverables and content of each deliverable.

#### Deliverables vis-a-vis time frame

Deliverables	Description of Items/Deliverables	Corresponding time frame (Monthly)
D1	Topographic Survey and Survey Reports	1 – 3 Months
D2	Preparation of Detailed Project Report	4 – 6 Months
D3	Tendering for Construction	7 – 9 Months
D4	Commencement of Construction Works / Project Management Consultancy Services	10 - 24 Months (12 Months)

### 4. Team composition and Schedule for the key professionals

The team will comprise of **4(Four) Key Professionals** at the District Level and The other required staff shall be deployed by the Consultant / Firm keeping the schedule and deliverable in view.

Sl. No	Key Professionals	Man Months (including Govt. Holidays)
1	Team Leader	24 MM
2	Environmental Engineer	
3	Social Science Expert	
4	GIS Expert	
5	Other required Staff who are to be mobilized in line with the schedule keeping the completion date in view	24 MM

5. Expected schedule for completing the assignment. If an assignment consists of more than one activity, the target period / date for completing each activity can also be specified. The same may be defined by the CLIENT.

**6. Payment Terms and Schedule in a tabular form**

The Payment of Professional Fees will be made as per the following table:

Sl. No.	Payment Terms	Schedule	Disbursement Schedule
1	Mobilization Advance	1 <sup>st</sup> Month	10% (Ten percent) of the Total Consultancy Fees quoted. Upon Mobilization of Men and Machinery at site for carrying out the Work.
2	Completion of Topographic Survey and Submission of Survey Report	3 <sup>rd</sup> Month	20% (Ten Percent) of the Total Consultancy Fees quoted. Upon completion and submission of Survey Report for both the Municipalities.
3	Preparation of DPR and Submission of draft DPR	6 <sup>th</sup> Month	10% (Ten Percent) of the Total Consultancy Fees quoted. Upon preparation and submission of draft DPR for both the Municipalities.
4	Preparation of DPR and Submission of Final DPR incorporating observations and compliance	7 <sup>th</sup> Month	20% (Ten Percent) of the Total Consultancy Fees quoted. Upon preparation and submission of Final DPR for both the Municipalities.
5	Preparation of Specifications and submission of Tender Documents for Construction	9 <sup>th</sup> Month	10% (Ten Percent) of the Total Consultancy Fees quoted. Upon preparation and submission of Tender Documents for Construction works for both the Municipalities.
6	Contract Supervision – Monthly	10 <sup>th</sup> Month to 21 <sup>st</sup> Month	30% (Thirty Percent) of the Total Consultancy Fees quoted fees to be released on key deliverables after end of each month's work.

**Note:** This is based on attendance of Key experts. For absence of expert for more than 15 days proportionate deduction to be made.

The payment of professional fees will be made on monthly basis and milestones indicated for each activity. The payments will be made upon submission of an invoice backed by Monthly Progress Reports outlining the areas covered in RFP. Payment of professional fees would be made within two weeks of submission of Invoices.

The 30% (Thirty Percent) of above table sl. No.6 of the Total Consultancy Fees will be paid as per the following submission of each deliverables detailed out in the below table.

Sl. No.	Deliverables	% of total payment payable
1	--D1	6
2	--D2	6
3	--D3	6
4	--D4	6
5	--D5	6

7. Background materials, data, reports, records of previous surveys and so on, to be

provided to the consultant. (Mention a caveat about reliability of material provided and the need for consultant to verify and crosscheck vital aspects).

**The Executive Officer, Jajpur Municipality, Jajpur – 755001**

**Subject: Proving Consultancy Services for preparation of DPR including Topographical Survey, Design and Engineering & Project Management Consultancy Services for Improvement of Drainage System of Jajpur Municipalities in the District of Jajpur, Odisha**

**Dear Sir,**

I, the undersigned, offer to provide the services for the proposed assignment in respect to your Request for Proposal No. \_\_\_\_\_, Dated: \_\_\_\_\_. I hereby submit the proposal which includes this technical proposal sealed under a separate envelope. Our proposal will be valid for acceptance up to **120 Days** and I confirm that this proposal will remain binding upon us and may be accepted by you at any time before this expiry date.

All the information and statements made in this technical proposal are true and correct and I accept that any misinterpretation contained in it may lead to disqualification of our proposal. If negotiations are held during the period of validity of the proposal, I undertake to negotiate on the basis of the proposal submitted by us. Our proposal is binding upon us and subject to the modifications resulting from contract negotiations.

I have examined all the information as provided in your Request for Proposal (RFP) and offer to undertake the service described in accordance with the conditions and requirements of the selection process. I agree to bear all costs incurred by us in connection with the preparation and submission of this proposal and to bear any further pre-contract costs. In case, any provisions of this RFP/ ToR including of our technical & financial proposal is found to be deviated, then your department shall have rights to reject our proposal including forfeiture of the Earnest Money Deposit absolutely. I confirm that, I have the authority to submit the proposal and to clarify any details on its behalf.

I understand you are not bound to accept any proposal you receive. I remain,

Yours faithfully,
